SUPERARE GLI OSTACOLI

VENUS ADVENTURE ti conduce con facilità per strade difficili. Erba, ghiaia, sterrato, porfido, tutto diventa accessibile. La seduta ammortizzata in combinazione con le forcelle FrogLegs™ la rendono ideale per superare piccoli scalini e altre impervietà.

SPIRITO VENUS

VENUS ADVENTURE unisce le regolazioni che caratterizzano il modello VENUS con lo spirito di ribellione ed avventura che accompagna gli esploratori della vita.

WHEREVER YOU WILL GO

VENUS ADVENTURE easily leads you on previously unfeasible roads. Lawn, gravel, dirt, cobblestones: everything is accessible. The shock absorber under the seat and FrogLegs™ make it perfect to overcome small steps and other obstacles.

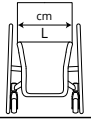

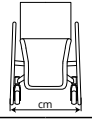

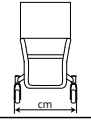

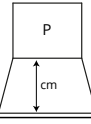

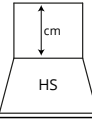

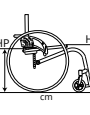

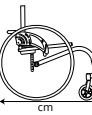

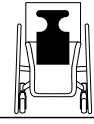

VENUS SOUL

VENUS ADVENTURE combines the adjustability of its parent model to the rebelliousness that distinguishes the great explorers of life.
